

# GİZEM ÖZOĞUL

Mobile: +90 538 440 27 51

E- Mail: gizem.ozogul@std.yeditepe.edu.tr

Adress: Ataşehir, Istanbul, Turkey

An adaptable and hardworking master's student who has engineering skills, medical science skills and interpersonal skills.

## EDUCATION

Feb. 2024 - Feb. 2026 (expected)

MSc Program in Biotechnology, Graduate School of Applied Sciences, Yeditepe University, Ataşehir, Istanbul, Turkey

Sep. 2017 - Jan. 2023

BE Genetics and Bioengineering, Izmir University of Economics, Balçova, Izmir, Turkey (%50 Scholarship)

## EXPERIENCE

Sep. 2021 - Oct. 2021

Microbiology Laboratory Technician Intern, IUE Medical Park Hospital, Karşıyaka/ Izmir/ Turkey

- Work on cell culturing and microscopic observation
- Applied some tests like IFA, CMV, EBV, HPV with laboratory technicians

## PROJECT EXPERIENCE

2021 - 2022

Investigation of the effects of environmental conditions on biofilm dispersion - Graduation Project

2024 - 2026 (expected)

Development of hydroxyapatite coating for titanium implant materials with enhanced osteogenic activity - Master's Thesis

## ACHIEVEMENTS AND MEMBERSHIPS

- Boğaziçi Biotech Conference (Fall 2021)
- Izmir University of Economics Ecogenesis III. Biology Summit (Spring 2021)
- Izmir University of Economics Ecogenesis Community (Fall 2018 - Spring 2022)

---

## CONGRESS

21.11.2025 - 23.11.2025

---

29th National Biomedical Science and Technology Symposium  
(BIOMED2025) - Poster Presentation

---

## ACADEMIC AND PROFESSIONAL INTERESTS

- 
- Tissue Engineering
  - Artificial Organs
  - Biotechnology
  - Microbiology
  - Stem Cells

---

## FURTHER SKILLS

- 
- Language Abilities: Turkish (Native Speaker), English (Upper Intermediate Level), German (A2.2 certificated)
  - Computer Skills: MS Office, Python
  - Personal Skills: Ability to Analyze and Solving Problems, High Concentration, Organized, Team Player, Interpersonal Skills
